

# Learning to Participate (LEAP)

is a project about youth empowerment, active citizenship and skills development. It is a strategic partnership project between universities and youth organisations that contributes to foster participation and European mobility for all.

learning  
to participate

## THE PROJECT

---

### Our vision

The project addresses young people's *capacity for action* and understands their *empowerment as their capacity* to exert a bigger control on what matters to them, their circle or the community/ies they identify with.

For *youth workers*, the project represents an opportunity to further their professionalization and to acquire knowledge about Project-based Learning.

#### The project objectives are to:

- Promote youth-centred pedagogical approaches in non-formal education and youth organisations
  - Empower young people in terms of capacity for action
- 

## RESULTS

---

### What the project offers

- *Pedagogical Booklet* for youth trainers
- *Methodology* based on Project-based Learning for youth workers to develop a project for and with young people
- Continuing education *training sessions* for youth workers
- Mobility for *45 young people* and 6 youth workers
- *Youth Charter* on participation according to the young participants of the project
- *Four multiplier events*: Hannover (Germany), in Palermo (Italy), Šibenik (Croatia) and Vienna (Austria)

All the resources will be available by January 2021 free of charge here:  
*leap.univie.ac.at*

---

## MORE

---

### Join us for more!

- Participate in a **free youth workers training on the 23th of November 2019** in Vienna.
- Take part in a **free youth mobility in 2020**.
- **Follow all project updates on Facebook:**  
<https://www.facebook.com/LEAP-Learning-to-Participate-517493165449803/>
- **Mail us to get in touch:**
